

# Cold War Kids, Miracle Mile

I was supposed to do great things  
I'd know the rule's law  
But I wasn't raised to shoot for fame  
I had the safety on  
I cut my ties, I sold my rings  
I wanted nervous  
If you start from scratch and have to sing,  
Just for the fun of it

I'll be alright, if I could just see you  
Come up for air, come up for air,  
A miracle mile where does it lead to?  
Come up for air, come up for air,

I feel the air upon my face, forget the mess I'm in  
Hold me again, don't count mistakes, I lost track of them

I'll be alright, if I could just see you  
Come up for air, come up for air,  
A miracle mile where does it lead to?  
Come up for air, come up for air,  
I was in the mud, I was in the dirt  
Went underground and I thought what I was worth  
All alone and I know I can't stay, but  
We're walking up and down the streets to stay awake

Come up for air, come up for air, come up  
Come up for air, come up for air, come up  
Come up for air, come up for air, come up  
Come up for air, come up for air, come up

Get outside, get out over the world  
? a little love, what you can return  
? adrenaline and let me push some ?  
But you ?. and breathe one breath a time

Come up for air, come up for air, come up  
Come up for air, come up for air, come up  
Come up for air, come up for air, come up

I'll be alright, if I could just see you  
Come up for air, come up for air,  
A miracle mile where does it lead to?  
Come up for air, come up for air,

I'll be alright, if I could just see you  
A miracle mile where does it lead to?
