

# Cold, Wasted Years

There's a game life plays  
makes you think you're everything they ever said you were  
Like to take some time  
Clear away everything I planned

[Chorus]  
Was it life I betrayed  
for the shape that I'm in  
It's not hard to fail  
it's not easy to win  
did I drink too much  
could I disappear  
and there's nothing that's left but wasted years

There's nothing left but wasted years

If I could change my life  
Be a simple kind of man try to do the best I can  
if I could see the signs  
I'd derail every path I could  
now I'm about to die  
won't you clear away from me  
give me strength to fly away

[Chorus]

There's nothing left but wasted years [x3]

[Chorus x3]
