

# Cold, Wasted Years (Alternate Version)

There's a game life plays  
makes you think you're everything they ever said you were  
Like to take some time  
Clear away everything I've planned

[Chorus]

Was it life I've betrayed  
for the shape that I'm in  
It's not hard to fail  
it's not easy to win  
did I drink too much  
could I disappear  
and there's nothing that's left but wasted years

There's nothing left but wasted years

If I could change my life  
Be a simple kind of man try to do the best I can  
if I could take the sides  
I'd derail every path I could  
I'm about to die  
won't you clear away from me give me strength to fly away

[Chorus]

There's nothing left but wasted years x3

[Chorus] x3
