

# Coldplay, A Head Full Of Dreams

I think I landed  
In a world I hadn't seen  
When I'm feeling ordinary  
When I don't know what I mean  
I think I landed  
Where are miracles at work  
For the thirst and for the hunger  
Come the conference of birds

Saying it's true  
It's not what it seems  
Leave your broken windows open  
And in the light just streams  
And you get a head  
A head full of dreams  
You can see the change you want to  
Be what you want to be  
Get a head, a head full of dreams  
Into life I just been spoken  
A head full, a head full of dreams

I think I landed  
Where are miracles at work  
When you got me open handed  
When you got me lost for words

I sing: "O-wohohoh"  
Yeeeah!  
/2x

A head full of dreams  
(O-wohohoh)

Into life I just been spoken  
A head full, a head full of dreams
