Coldplay, Brothers And Sisters

brothers and sisters, unite it's the time of your lives it's the time of your lives break down, break down gotta spread love around gota spread it all round brothers and sisters feel fine it's the time of your lives it's the time of your lives there's no sound, no sound like this feeling you've found like this feeling you've found but just stay down but sometimes i'm free to stay down but sometimes i'm free... and it's me they're looking for and it's me, i will never survive we'll be around somewhere brothers and sisters, unite it's the time of your life it's the time of your life break down, break down gotta spread love around gota spread it all round but just stay down but sometimes i'm free to stay round but sometimes you're free.... and it's me they're looking for and it's me, i will never survive we'll be around some more it's gonna be alright yeah it's gonna be alright it's gonna be alright
