

# Coldplay, Careful Where You Stand

I feel safe, I feel warm  
When you're here, when I do no wrong  
I'm cured, when I'm by your side  
I'm alright  
I'm alright  
I am safe when I am with you  
I feel warm if you want me to  
I'm cured, when I'm by your side  
I'm alright  
Careful where you stand my love  
Careful where you lay your head  
It's true  
We're always looking out for one another  
I feel safe when I am with you  
I feel warm when you want me to  
I am cured, when you are around  
I'm alright  
Careful where you stand my love  
Careful where you lay your head  
It's true  
We're always looking out for one another  
So I like a quiet time please  
Yeah I like quiet time  
Careful where you stand  
Now careful where you stand
