

Coldplay, Christmas Lights

Christmas night, another fight
Tears we cried a flood
Got all kinds of poison in
Of poison in my blood

I took my feet
To Oxford Street
Trying to right a wrong
"Just walk away";
Those windows say
But I can't believe she's gone

When you're still waiting for the snow to fall
Doesn't really feel like Christmas at all

Up above candles on air flicker
Oh, they flicker and they float
And I'm up here holding on
To all those chandeliers of hope

Like some drunken Elvis singing
I go singing out of tune
Singing how I always loved you, darling
And I always will

When you're still waiting for the snow to fall
Doesn't really feel like Christmas at all
Still waiting for the snow to fall
Doesn't really feel like Christmas at all

Those Christmas lights
Light up the street
Down where the sea and city meet
May all your troubles soon be gone
Oh, Christmas lights keep shining on

Those Christmas lights
Light up the street
Maybe they'll bring her back to me
Then all my troubles will be gone
Oh, Christmas lights keep shining on

Oh, Christmas lights
Light up the street
Light up the fireworks in me
May all your troubles soon be gone
Those Christmas lights keep shining on
