

# Coldplay, Cry Cry Cry

cry /3x  
baby  
cry /3x

in a book about the world  
called the luminous things  
there are trees and flowers glowing  
while jizo bodhisattva sign

when you  
cry /3x  
baby  
when you  
cry /3x  
when you  
cry /3x  
baby  
I'll be by your side

don't want us hurt each other  
or cause each other pain  
don't want to fear what we don't know  
we're in this together baby  
we're as singing is to rain  
so I never, ever, ever let you go

when you  
cry /3x  
baby  
when you  
cry /3x  
when you  
cry /3x  
baby  
I'll be by your side

for your miracles outnumber  
all the stars out in the sky
