

# Coldplay & Embrace, Gravity

Baby,  
It's been a long time coming,  
Such a long, long time.  
And I can't stop running,  
Such a long, long time.  
Can you hear my heart beating?  
Can you hear that sound?  
Cause I can't help thinking  
And I won't stop now  
And then I looked up at the sun and I could see  
Oh, the way that gravity pulls on you and me,  
And then I looked up at the sky and saw the sun,  
And the way that gravity pushes on everyone,  
On everyone.  
Baby,  
When your wheels stop turning  
And you feel let down  
And it seems like troubles  
have come all around  
I can hear your heart beating,  
I can hear that sound,  
but I can't help thinking.  
And I won't look now.  
And then I looked up at the sun and I could see  
Oh, the way that gravity pulls on you and me,  
And then I looked up at the sky and saw the sun  
And the way that gravity pushes on everyone  
On everyone  
On everyone
