

# Coldplay feat. Michael Stipe, In the sun

I picture you in the sun wondering what went wrong  
And falling down on your knees asking for sympathy  
And being caught in between all you wish for and all you seen  
And trying to find anything you can feel that you can believe in  
May gods love be with you  
Always  
May gods love be with you  
I know I would apologize if I could see your eyes  
cause when you showed me myself I became someone else  
But I was caught in between all you wish for and all you need  
I picture you fast asleep  
A nightmare comes  
You cant keep awake  
May gods love be with you  
Always  
May gods love be with you  
cause if I find  
If I find my own way  
How much will I find  
If I find  
If I find my own way  
How much will I find  
You  
I dont know anymore  
What its for  
Im not even sure  
If there is anyone who is in the sun  
Will you help me to understand  
cause I been caught in between all I wish for and all I need  
Maybe youre not even sure what its for  
Any more than me  
May gods love be with you  
Always  
May gods love be with you
