## Coldplay, Green Eye

Honey you are a rock Upon which I stand And I come here to talk I hope you understand The green eyes, yeah the spotlight, shines upon you And how could, anybody, deny you? I came here with a load And it feels so much lighter now I met you And honey you should know That I could never go on without you Green eyes Honey you are the sea Upon which I float And I came here to talk I think you should know The green eyes, you're the one that I wanted to find And anyone who tried to deny you, must be out of their mind Because I came here with a load And it feels so much lighter since I met you Honey you should know That I could never go on without you Green eyes, green eyes Oh oh oh oh (x4) Honey you are a rock Upon which I stand
