Coldplay, Humankind

Today I heard the strangest I heard the strangest song A DJ a star away is Playing it to turn us on My heart started glowing I feel it inside, it's flowing I say I know, I know, I know We're only human I know, I know, I know How we're designed, yeah Oh I know, I know, I know We're only human But from another planet Still they call us humankind Today I had the strangest Feeling that I belong (belong) Before, I was dying I feel it inside, now I'm flying I say I know, I know, I know We're only human I know, I know, I know How we're designed, yeah Oh I know, I know, I know We're only human But from another planet Still they call us humankind Before, I was dying I feel it inside, now I'm flying I know, I know, I know We're only human I know, I know, I know How we're designed Oh I know, I know, I know We're only human But we're capable of kindness So they call us humankind
