

# Coldplay, I'll See You Soon

So you lost your trust  
and you never should have, no you never should have  
but don't break your back, if you ever see this  
but don't answer that

Chorus--

in a bullet-proof vest, with the windows all closed  
i'll been doing my best, i'll see you soon  
in a telescope lens, and when all you want's friends,  
i'll see you soon

so it came for you it came snapping at your heels

it came snapping at your heels

but don't break your back

if you ever say this

but don't answer that

chorus

i'll see you soon

and oh, you lost your trust

and oh, you lost your trust

no, don't lose your trust

no, you lost your trust
