

Coldplay, Lips Like Sugar

She floats like a swan
Grace on the water
Lips like sugar
Lips like sugar
Just when you think you've caught her
She glides across the water
She calls for you tonight
To share this moonlight
She'll flow down your river
And ask him and she'll give you
Lips like sugar
Sugar kisses
Lips like sugar
Sugar kisses
She knows what she knows
I know what she's thinking
Sugar kisses
Sugar kisses
Just when you think she's yours
She's flown to other shores
To laugh at how you break
To melt into this lake
She'll flow down your river
And ask him and she'll give you
Lips like sugar
Sugar kisses
Lips like sugar
Sugar kisses
She'll be my mirror
Reflect what I am
A loser and a winner
The King of Siam
And my Siamese twin
She knows what I'm thinking
She'll flow down your river
And ask him and she'll give you
Lips like sugar
Sugar kisses
Lips like sugar
Sugar kisses
