Coldplay, One I Love (B-Sides)

Could you, could you come back? Come back together Put yourself on the band And see us forever Could you, could you come home? Come home forever Sure there are things in the band Keep us together Cos you're the one I love You're the one I love You're the one I love Ahhhh, ahhhh. Could you, could you come home? Could you tell me whatever? Tie youself to a mast It's now or it's never Could it tear us apart? It'll soon be forever It's gonna tear us apart Keep us together You're the one I love You're the one I love Ahhh ahhh You're the one I love Yeah yeah you're the one 00000000000000 00000000000000 You're the one I love You're the one I love

You're the one I love
