

Coldplay, ONE WORLD

Oh, one world
Only one world
Oh, one world
Only one world
Oh, one world
Only one world
Oh, one world
Only one world
Oh, one world
Only one world
Oh, one world
Only one world
Oh, one world
Only one world
Only one

In the end it's just love
In the end it's just love
Love
In the end it's just love
In the end it's just love
In the end it's just love
