Coldplay, The Scientist

Come up to meet you, tell you I'm sorry You don't know how lovely you are I had to find you, tell you I need you Tell you I set you apart

Tell me your secrets and ask me your questions Oh, let's go back to the start Running in circles, coming up tails Heads on a science apart

Nobody said it was easy It's such a shame for us to part Nobody said it was easy No one ever said it would be this hard Oh, take me back to the start

I was just guessing At numbers and figures Pulling the puzzles apart Questions of science, Science and progress Do not speak as loud as my heart

But tell me you love me, Come back and haunt me Oh and I rush to the start Running in circles, Chasing our tails Coming back as we are

Nobody said it was easy
Oh, it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm going back to the start

Oh ooh, ooh ooh ooh ooh Ah ooh, ooh ooh ooh ooh Oh ooh, ooh ooh ooh Oh ooh, ooh ooh ooh
