

Coldplay, Till kingdom come

Til Kingdom Come
Steal my heart and hold my tongue
I feel my time
My time has come
Let me in
Unlock the door
I never felt this way before
And the wheels just keep on turning
The drummer begins to drum
I dont know which way Im going
I dont know which way Ive come
Hold my head inside your hands
I need someone who understands
I need someone, someone who hears
For you Ive waited all these years
For you Id wait 'til kingdom come
Until my day, my day is done
And say you'll come and set me free
Just say you'll wait, you'll wait for me
In your tears and in your blood
In your fire and in your flood
I hear you laugh, I heard you sing
I wouldnt change a single thing
And the wheels just keep on turning
The drummers begin to drum
I dont know which way Im going
I dont know what Ive become
For you Id wait 'til kingdom come
Until my days, my days are done
And say you'll come and set me free
Just say you'll wait, you'll wait for me
Just say you'll wait, you'll wait for me
Just say you'll wait, you'll wait for me
