Coldplay, What If?

What if there was no lie
Nothing wrong, nothing right
What if there was no time
And no reason, or rhyme
What if you should decide
That you don't want me there by your side
That you don't want me there in your life
What if I got it wrong
And no poem or song
Could put right what I got wrong
Or make you feel I belong

What if you should decide
That you don't want me there by your side
That you don't want me there in your life

Ooh ooh-ooh, that's right
Let's take a breath, jump over the side
Ooh ooh-ooh, that's right
How can you know it, if you don't even try
Ooh ooh-ooh, that's right

Every step that you take
Could be your biggest mistake
It could bend or it could break
That's the risk that you take

What if you should decide
That you don't want me there by your side
That you don't want me there in your life

Ooh ooh-ooh, that's right
Let's take a breath, jump over the side
Ooh ooh-ooh, that's right
How can you know when you don't even try
Ooh ooh-ooh, that's right

Ohhh - Ooh ooh-ooh, that's right,
Let's take a breath, jump over the side.
Ooh ooh-ooh, that's right,
You know that darkness always turns into light.
Ooh-ooh, that's right
