

# Coldplay, X and y

Trying hard to speak  
And fighting with my weak hand  
Driven to distraction  
So part of the plan

When something is broken  
And you try to fix it  
Trying to repair it  
Any way you can

I dive in at the deep end  
You become my best friend  
I wanna love you but I don't know if I can

I know something is broken  
and I'm trying to fix it  
Trying to repair it anyway I can

Oooohh, oooohh  
Oooohh, oooohh

You and me are floating on a tidal wave... together  
You and me are drifting into outer space... and singing

Oooohh, oooohh

You and me are floating on a tidal wave... together  
You and me are drifting into outer space

You and me are floating on a tidal wave... together  
You and me are drifting into outer space... and singing

Oooohh, oooohh  
Oooohh, oooohh
