Cole Jude, Blame It On Fate

Why you wanna break me down
Every time I come around
You've done all a woman can
To make me feel like half a man
But something in the sky above
Keeps lifting up my heart to love
Oh yeah, yeah
So baby open up that door
'Cause I'm standing in the rain
Begging for more
Blame it on fate, blame it on blind love
But I can't give up on you
You can blame it on fate, blame it on blind love
But I can't give up on you
Blame it on fate, blame it on blind love
But I can't give up on you
No I can't give up on you, no no
Why you wanna play this game
Pretending to forget my name, oh
Through these lonely eyes I see
You ain't so happy being free
And something in the skies of blue
Is telling me you're gonna want me too
Well you can blame it on fate, blame it on blind love
But I can't give up on you
If you're making me wait
I'm standing in line, love
'Cause I can't give up on you, no no
Blame it on fate, blame it on blind love
But I can't give up on you
No I can't give up on you, ooh
Yeah yeah
(Solo)
There's something in the skies above
That keeps filling up my heart with love, love, love
Blame it on fate, blame it on blind love
But I can't give up on you
Well you're making me wait
I'm standing in line, love
But I can't give up on you, no no
Blame it on fate, blame it on blind love
But I can't give up on you
Well I can't give up on you
(I can't give up on you)
(Can't give up on you, can't give up on you)
Said I can't give up on you
(I can't give up on you)
(Can't give up on you, can't give up on you)
