

# Cole Lloyd, Wild Mushrooms

you tripped me up  
you put mushrooms in my tea  
you rolled me, took advantage of me  
you tied me up  
i see blisters on my wrists  
do i recall you doing the wild thing on me  
do you know what  
i think that i liked it  
do you know what  
i think i'd like to do it again  
you tripped me right up  
you put mushrooms in my tea  
you rolled me, took advantage of me  
you tied me up  
i see blisters on my wrists  
do i recall you doing the wild thing on me  
do you know what  
i think that i liked it  
do you know what  
i think i'd like to do it again
