

# Colin Hay Band, Don't Believe You Anymore

You and I were so in love  
You know I don't want to leave you  
I just don't believe you

You say I gave you no warning  
But I tried to tell you for years  
But you ignored the signs and left me with my silent tears  
But you don't understand, what it is you have done  
I'm going crazy, I'm climbing walls  
I've got to move, you know I've got to run

You're just staring at the floor  
My bags are packed and on the bed  
And there's a taxi at the door  
And I just don't believe you anymore

You and I were so in love  
You know I don't want to leave you  
I just don't believe you anymore  
You and I were so in love  
You and I were so in love

This house is not a home to me  
So before the credits roll  
And I lose my very soul  
I just don't believe you anymore

You and I were so in love  
You know I don't want to leave  
But I just don't believe

You and I were so in love  
Too late to try and please me  
I just don't believe you anymore

You and I were so in love

You and I were so in love
