She's crazy 'bout that hydromatic

Cause its such an easy ride

She loves her rollin, how she loves to ball the jack

Crazy bout her rollin, how she loves to ball the jack

She's crazy about that easy ridin, crazy bout that Cadillac

Turn on the radio and cruise on down
the avenue

Yeah, turn on the radio and cruise on
down the avenue

She's crazy about my caddy
and I 'm crazy for my baby too

Sax

Well, long about midnight she came
knockin on my door

Yeah, long about midnight she came
knockin' on my door

Gotta take out that caddy

Baby wants to ride some more

Yeah at night we went riding

Riding in the rain

She was my baby

And I was her man

She said honey ride a long long time

You rock so easy, so mellow and fine

If you get tired of ridin, give yourself a rest

Park it in the spot that your baby loves the best

Cadillac baby

Crazy bout that easy ridin'

How she loves that cadillac
