She loves her rollin, how she loves to ball the jack

Turn on the radio and cruise on down  
the avenue

Sax

Well, long about midnight she came  
knockin on my door  
Yeah, long about midnight she came  
knockin' on my door  
Gotta take out that caddy  
Baby wants to ride some more

Yeah at night we went riding  
Riding in the rain  
She was my baby  
And I was her man

She said honey ride a long long time  
You rock so easy, so mellow and fine  
If you get tired of ridin, give yourself a rest  
Park it in the spot that your baby loves the best
