

# Colin James, I'll See It Through

2,3,4.

one of these days baby,  
whatever i do,  
ill prove i can,  
get along without you,  
i dont care how much,  
that it hurts,  
ill see it through.

i know my tears,  
will fall like rain,  
i known her for so long,  
i will live in invain,  
i dont care how much,  
that it hurts,  
ill see it through,

ill see it through now.

one more time

i will take my time,  
to make a brand new start,  
while i repair,  
my own broken down heart,  
i dont care how much,  
that it hurts,  
ill see it through,

i dont care how much,

i dont care how much baby,

i dont care how much,  
that it hurt,

ill see it through,  
ill see it through hunny,  
im not lieing,  
ill see it through,  
all me and you,

i dont care how much baby,  
i dont care how much,  
im not jokein.
