

Colin James, I Want You To Be My Baby

I (I)
I want (I want)
I want you (I want you)
I want you to (I want you to)
I want you to be (what)
I want you to be my baby

Will (will)
Will you (will you)
Will you please (will you please)
Will you please tell (will you please tell)
Will you please tell me (what)
If you're going to be my baby

Listen to your mama and you never will regret it
And if anybody wonders you can tell them that I said it
The only thing I know is that I never can forget ya
I've been longin' for ya baby ever since the day I metcha
I gotcha where I want'cha and I'm never gonna let'cha
Get away from me

Hear what I tell ya
I'm the gal for you and so you'd better start to face it
If you ever lose my love you know you can't replace it
I think it's time for you to start to give me some lovin'
Carryin' a torch for you that's hotter than an oven
It's time for you to give me a little bit of lovin'
Baby, hold me tight and do what I tell you

I (I)
I want (I want)
I want you (I want you)
I want you to (I want you to)
I want you to be (what)
I want you to be my baby

Will (will)
Will you (will you)
Will you please (will you please)
Will you please tell (will you please tell)
Will you please tell me (what)
If you're going to be my baby
