

Colin James, Mystery To Me

It's time we recognized it,
It's time we tried to see it for what it is.
There's nothin' underlyin' it, baby,
There ain't another picture as clear as this.

(Well, well) What you get's what you see,
There ain't no mystery to me.

Don't ever dance a double
No sleight of hand, no working behind the scenes.
The way you tell the story, baby,
So complicated, don't even know what it means.
(Don't know what it means.)

What you get's what you see,
There ain't no mystery to me.

What you get's what you see,
(there's nothin' up my sleeve)
There ain't no mystery to me.

No double talkin (double talkin)
No sleight of hand (sleight of hand)
No behind the scenes (behind the scenes)
Cuz that's the way I am (thats the way i am)

No double talkin (double talkin)
No behind the back (hind the back)
No behind the scenes (behind the scenes)
No behind the scenes (no behind the scenes)

What you get's what you see,
There ain't no mystery to me.
