Colin James, Sit Right Here

I'm gonna sit right here and wait until my baby comes home
Well I know I never done anyone wrong
I hold my head up high, I never lose my smile
I'm half cryin' but it's down inside
I'm gonna sit right here and wait until my baby comes home

Tell me, tell me, tell me what have I done wrong
Well I'm outta my mind why, why can't we get along
This can't be life, this can't be death
Without you, ohh, I don't want no one else
I'm gonna sit right here and wait until my baby comes home

Well I've been sittin' right here such a long, long time
Watching these walls I'm gonna lose my mind
Won't you please come back and try me one more time
Before I go insane, yeah yeah

Tell me, tell me, tell me what have I done wrong
Well I'm outta my mind why, why can't we get along
This can't be life, this can't be death
Without you, ohh, I don't want no one else
I'm gonna sit right here and wait until my baby comes home
