

Colin James, Stay

I see the clock run down,
I watch you look away,
But I never get used to it,
At the end of the day.

In a different world,
And another life,
Mmmmm, the time would stop,
And you'd stay all night.

Sundown, and I'm feeling the strain,
Can't you see it, in the lines on my face.

It's tearing me up(tearing me up)
And breaking me down(breaking me down)
Cause everytime you go, you're draggin' my love around.
Maybe this once, you'd better think twice,
Stay with me tonight...
Stay

See the hours pass, and the see-through heat,
As we ease down our defenses, slip into this mystery,
There's a world unknown, there's so much at stake,
As we search for a way,
To make up for all this heart-ache.

Sometimes I feel I'm falling from grace,
When every hour, takes you further and further away.

Tearing me up(tearing me up)
And breaking me down(breaking me down)
And everytime you go, you're draggin' my love around.
Maybe this once, yea, you'd better think twice,
Stay with me tonight, yea baby stay...

Yea, it's tearing me up(tearing me up)
And breaking me down(breaking me down)
But everytime you go, you're draggin' my love around.
Maybe this once, you'd better think twice,
Yea baby, stay baby,

Tearin' me up, breakin' me down
Everytime you go, you drag my light behind you,
(Maybe just once) Maybe just once,
(Better think twice) Don't think twice,
(tearing me up) Tearin' me up, tearin' me up,
You're tearin' me up...
