

Colin James, Stop Bringing It Down On A Perfect

Yeah yeah yeah yeah, yeah yeah yeah yeah

Why did you mention it
You just want attention, it's
Something you can't help but do

'Stead of you helpin me,
You're lookin for sympathy,
So hold that thought and keep it under lock
come the half-beat a tock when you know what you wanna do

Stop movin' around,
Don't stand in the way,
Stop bringin' it down on a perfect day
Without thinkin at all
You play the perfect game
Stop bringin' it down on a perfect day

I'm on a tear and you're
Stuck to the chair and you
Ain't comin out of your room

You don't seem right
When you turn on the light
Cuz now you see more easily the things that might come back on you

Stop movin' around,
Don't stand in the way,
Stop bringin' it down on a perfect day
Without thinkin at all
You play the perfect game
Stop bringin' it down on a perfect day

guitar solo

Stop movin around,
Dont stand in the way
Stop bringin' it down on a perfect day
Without thinkin at all,
You play the perfect game
Stop bringin' it down on a perfect day
(x2)

Yeah yeah yeah yeah, yeah yeah yeah yeah

Stop bringin' it down on a perfect day,
Stop bringin' it down on a perfect day.
