

Collage, What About The Pain

A sunny day
In the park
Ice cream smiles
We're so strong we'll never die

Joyful scenes
Looks of love
Children smiles
Reaching endless skies

What about the pain
I feel inside
Frozen yesterdays
In a snapshot's eye

What about the rain
I'm standing in
Washing me away
Of all my dreams

What is love?
A sleazy game?
Gotta shine all those family Saturdays
I got you
You got me
We got us
The pictures of our tragedy

What about the pain
I feel inside
Frozen yesterdays
In snapshot's eye

What about the rain
I'm standing in
Washing me away
Of all my dreams

I almost like my demons
Except those nights they never sleep
Without a special reason
They whisper
God I hate to ask
Please do me one more favour
In fact the only thing I ask
Erase my face from rear view mirror
And take me home
To feel im not alone

A hollow lullaby
And alimony of lies
And a change that can't be made
Now and forever in my veins

I do respect my demons
Poor bastards of my sanity
On safe delusions playground
We freak out to the "Ballroom Blitz"

Forever insignificant
Forever insignificant

I'm on my way
I'm on my way

I'm on my way
To fuck those scars away

A hollow lullaby
Your alimony of lies
And a change that can't be made
Forever in my veins

What about the pain
I feel inside
Frozen yesterdays
In a snapshot's eye

What about the rain
I'm standing in
Washing me away
Of all my dreams
