

# Collective Soul, How Do You Love

There once was love thrown into your room  
But you never knew  
A calendar of days just for you  
But you never knew, never knew no  
And the truth that you'll find will always be  
The truth you hide  
So how do you love, how do you love  
When your angels can't sing, and your world is still  
Lacking of me  
There once were eyes that only saw you  
But you never knew  
A portrait of a flower in full bloom  
But you never knew, never knew no  
And the words that you fear will always be  
The words you hear  
This space where you've been living  
Has gifts you've never given  
That's the face you always show  
Ask me for words of wisdom  
Tell me of your condition  
I don't know, I don't  
I don't know  
And the truth that you'll find will always be  
The truth you hide
