Collin Raye, I Want You Bad

Baby please don't get to close to me 'cause that ring you're wearing says that you're not free But if I said I didn't want ya Well you know I'd be a lier You better run while there's still time 'cause I can't stop this fire

I want you bad I can't help myself But you belong to someone else I'd leave you alone Darlin' if I could But I want you bad and that ain't good

Baby please put away those ruby lips And those big blue eyes are too hard to resist I'm not that kind of man Oh and usually I'm strong But it's getting hard to tell between What's right and what is wrong

Chorus

I want you bad and girl that ain't good I want you bad, bad, bad and that ain't good
