

# Collin Raye, It Could Be That Easy

(Gene LeSage/Tom Dampier)

You were packed and ready to go  
To your sister's  
Back in Ohio  
I knew you'd made up your mind  
I couldn't stop you  
And you didn't want me to try  
The door was open  
I watched you go  
And I knew it was over  
But I didn't know

It could be that easy  
To walk away  
It could be that easy  
To make a change  
If the heart is willin'  
To start all over again  
It was hard to believe  
But you showed me  
It could be that easy

Three weeks of bein' alone  
Has left me seeing  
What I should've seen all along  
Your love means so much more  
Than I ever told you  
Than I ever showed you before

Now the car is running  
And there's a sign out on the lawn  
I'm packed and ready  
To give up everything I own

It could be that easy  
To walk away  
It could be that easy  
To make a change  
If the heart is willing  
To start all over again  
It was hard to believe  
But you showed me  
It could be that easy

It could be that easy  
To make a change  
Build a new tomorrow  
From yesterday  
If the heart is willin'  
To start all over again  
Ohhh  
Then so can we  
Oh you gotta believe  
It could be that easy

Baby, it could be that easy
