

# Collin Raye, Love Remains

We are born one fine day  
Children of God on our way  
Mama smiles, daddy cries  
Miracle before their eyes  
They protect us 'til we're of age  
And through it all love remains

Boy moves on, takes a bride  
She stands faithful by his side  
Tears and sweat, they build a home  
Raise a family of their own  
They share joy and they share pain  
Through it all love remains

Kingdoms come and go but they don't last  
Before you know the future is the past  
In spite of what's been lost or what's been gained  
We are living proof that love remains

I don't know baby what I'd do  
On this earth without you  
We all live, we all die  
But the end is not goodbye  
The sun comes up and seasons change  
Through it all Love Remains  
An eternal burning flame  
Hope lives on and Love Remains
