

Collin Raye, Many A Mile

(Bob Regan/Mark D. Sanders)

I look down the road that winds in the distance
And wonder where it might lead
I only know it makes no difference
As long as you walk with me

Chorus

Many a mile we will travel
Many a dream we will share
Many a time we will gladly take the long way there
With every step we will draw closer
With every step our love will grow
Take my hand, we have many a mile to go

True love is not a destination
But one day we will arrive
This is the journey we will be taking
The rest of our lives

Repeat Chorus

There will be days we're missing
All the places our love has been
There will be joy in knowing the best
Is still around the bend

With every step we will draw closer
That every turn our love will grow
Take my hand, we have many a mile to go
Take my hand, we have many a mile to go
