

# Collin Raye, What If Jesus Comes Back Like That

Came to town on an old freight train  
He jumped off in the pouring rain  
Everybody said he's insane  
Just a low down no account hobo

He made his bed neath the county bridge  
The city folks said hey thats not his  
They signed a petition there gonna get rid  
of that low down no account white trash

What if Jesus comes back like that?  
On an old freight train in a hobo hat?  
Will we let him in or turn our back?  
What if Jesus comes back like that?  
Hey? What if Jesus comes back like that?  
she was born into drug abuse  
She couldn't help what her mama used  
It wasn't like she got to choose  
Now she's laying there all alone

Got a monkey on her back  
Nurses say they never saw a smile like that  
Doctor says she might stand a chance  
If somebody takes her home

What if Jesus comes back like that?  
Two months early hooked on crack?  
Will we let him in or turn our back?  
What if Jesus comes back like that?  
Oh what if Jesus comes back like that?

Nobody said life is fair  
We've all got a cross to bear  
When it gets a little hard to care  
Just think about him hanging there

He came to town on a cold dark night  
A single star his only light  
The baby born that silent night  
A manger for his bed

What if Jesus comes back like that?  
Where will he find our hearts are at?  
Will he let us in or turn his back?  
What if Jesus comes back like that?  
Will he cry when he sees where our hearts are at?  
Will he let us in or turn his back?  
What if Jesus comes back like that?  
Hey, what if Jesus comes back like that?
