

Colony 5, Follow Your Heart

My mind is clear
My place is here
I'll stand my ground
I'll never leave
I'm not a puppet on a string

Stand up for yourself
Stand up for your life
Make your own path
Follow your heart

I don't need someone to guide me through my life
I don't need someone to see things through my eyes
Although the goals I have are out of sight
I have to find them myself, this is my own fight

Please leave it alone
You are not my clone
We have different goals
and skills unknown
and I would like to discover my own

Stand up for yourself
Stand up for your life
Make your own path
Follow your heart
