

# Colony 5, Follow Your Heart

My mind is clear  
My place is here  
I'll stand my ground  
I'll never leave  
I'm not a puppet on a string

Stand up for yourself  
Stand up for your life  
Make your own path  
Follow your heart

I don't need someone to guide me through my life  
I don't need someone to see things through my eyes  
Although the goals I have are out of sight  
I have to find them myself, this is my own fight

Please leave it alone  
You are not my clone  
We have different goals  
and skills unknown  
and I would like to discover my own

Stand up for yourself  
Stand up for your life  
Make your own path  
Follow your heart
