Color Green, Love At Cost

So far gone Wish I was lost Can't seem to move Can't seem to stop

Why can't love be bought at cost?

I used to be Well maybe not Too hard to think Can't make a thought

Why can't love be bought at cost? Why can't love be bought at cost?

There is hope
If there's tomorrow
I'll find some money
That I can borrow.....for awhile

I heard it ring
The aim was spot
Right through my chest
I took a shot

Why can't love be bought at cost? Why can't love be bought at cost?
