

Color Me Badd, Remember When (OKC Mix)

Nothing could be harder to believe
To feel my world just fade away from me
I pray that maybe time will help me see... see
Holding on with loving memories..... sweet memories

Chorus
Remember when

I could see forever in your eyes
Remember when
Together we could leave the world behind
I've got nothing to lose, nothing to hide
I'll cherish these memories to help me survive
Can't we get it back again
Remember when
I'm searching for that forgotten who
I know what it seems
The day that you can wrap me in your wings
we'll fly.. (we'll fly).... we'll fly
You know, i'm longing for the magic of your touch
And i thank god
I've never given up the chance to trust
I'll hold you again baby

Chorus

I know i'll be holding on to thoughts of yesterday
And this silence could fade away
I keep holding on to the times we shared baby
You know i'll never, never let you go let you go

Chorus
