

Colour Of Fire, Decisions, Decisions

Take your records off... my shelf.
I don't like this maze..... I'm in.
Full blown aching man, full blown nuclear...

...and we don't like decisions,
we never use that way,
I'm carrying you inside of me
...we don't like decisions,
we never use that way,
I'm carrying you inside of me

Steal this potential...its free.
Demand a refund.....right now, RIGHT NOW!
Full blown aching man, full blown nuclear...

and we don't like decisions,
we never use that way,
I'm carrying you inside of me
We don't like decisions,
we never use that way,
I'm carrying you inside of me.
