

Coltrane Chi, It's Really Come To This

Chi Coltrane

Got my things all together
And I'm ready to leave you baby
But it doesn't come easy
And there's something that holds me back here
And as I look around the room
Happiness haunts me
Lord knows it's been here
But something's happened
And it's now very clear
What went wrong
But I have to be strong
We just can't go on
If it makes and difference
My life won't be the same without you
I'll never forget you
Or the good times we've had together
And as the tears roll down my face
I guess I'm still trying
To think of an answer
A way under heaven
To tell me I should stay
I don't want to leave
I just can't believe
That's it's really come to this
Yes, it's really come to this.
