

# Coltrane Chi, Thunder And Lightning

(#17 September 1972)

Chi Coltrane (Chi is pronounced &quot;shy&quot; )

Ooh! What a good thing I've gto  
Oh it's such a good thing I've gto  
I don't think I can stand it  
Thunder and Lightning  
I tell you it's frightening  
It's thunder and lightning  
And you're in control  
I thought my life was complete  
But look what you've doin' to me  
Oh! You're makin' me crazy  
Thunder and Lightning  
I tell you it's frightening  
It's thunder and lightning  
And you're in control  
I don't know how to handle it  
It's more than I would dare  
I wouldn't try to run from it  
It reaches me everywhere  
I'm feelin' dizzy and weak  
You make me forget how to speak  
I can feel it happening  
Thunder and Lightning  
I tell you it's frightening  
It's thunder and lightning  
And you're in control  
I don't know how to handle it  
It's more than I would dare  
I wouldn't try to run from it  
It reaches me everywhere  
Ooh! What a good thing I've got  
Oh it's such a good thing I've got  
I don't think I can stand it.
