

# Coltrane Motion, Stalker Romance

i think my phone is broken  
but i think i'm ok  
she's all stuck up in the best sort of way  
i know that she'd love me if she just had the chance  
it's not everyday you see true romance

i keep seeing her with that other guy  
weird things happen, maybe he'll die

but in a supernova flash of conscience coming in  
i duck beneath the window  
bushes scrape against my forehead  
pick a stalker romance novel from the shelf again  
and read myself to sleep

she still hasn't called and it's half-past three  
i hope she's ok, i better go see  
i think i'm all right, yeh i think i'm ok  
i think i'm getting closer every day

i went through your garbage when there's nobody home  
i write you letters when i'm alone

i think i'm all right, i think i'm ok
