

COM3T, HABITS

I just got a HABIT
dirty little habit
I can have it
it this classic

shake that nipple plastic
then real
you know how I feel

HABITS
what you gonna do?
HABITS
take it from you
HABITS
maybe I'm a psycho
HABITS
its dance with you
HABITS

don't be confused
HABITS
this shit's ain't real
HABITS
it's a game I feel

HABITS
what you gonna do?
HABITS
take it from you
you know how I feel
that's one little rule you can stick
the power it's real
