

# COM3T, HABITS

I just got a HABIT  
dirty little habit  
I can have it  
it this classic

shake that nipple plastic  
then real  
you know how I feel

HABITS  
what you gonna do?  
HABITS  
take it from you  
HABITS  
maybe I'm a psycho  
HABITS  
its dance with you  
HABITS

don't be confused  
HABITS  
this shit's ain't real  
HABITS  
it's a game I feel

HABITS  
what you gonna do?  
HABITS  
take it from you  
you know how I feel  
that's one little rule you can stick  
the power it's real
