

# Combichrist, Tractor (Edit)

you are like a sports car  
you are so fast  
the smell of sex and money,  
and you can go far

but I am like a tractor  
I am slow but I am fit  
and eventually I'll find you,  
I'll crush you like a little shit

but I am like a tractor  
but I am like a tractor  
but I am like a tractor  
but I am like a tractor  
I am like a tractor
