

Combichrist, Tractor (Long Drive)

you are like a sports car
you are so fast
the smell of sex and money,
and you can go far

but I am like a tractor
I am slow but I am fit
and eventually I'll find you,
I'll crush you like a little shit

but I am like a tractor
but I am like a tractor
but I am like a tractor
but I am like a tractor
I am like a tractor
